Pedagogical contribution of the course to the program

No educational contribution associated with this course for this program.

Description

An introductory course in international strategy in a practical and innovative setting.

This course combines concepts and techniques for crafting and executing strategy. Students develop and implement strategic planning and thinking, contributing to the achievement of their international business objectives as well as adding value for their future customers.

This course focuses on international strategies, and more particularly in which countries to compete, where to locate activities, and how to organize your business. It will make your business strategy anticipative to predict the market trend, and determine your competitive edge. This course offers a guide to help future managers navigate the strategic decisions they will make abroad in order to best fit their international business.
